

NEW HORIZONS IN DIABETES CARE: WHAT THE FUTURE HOLDS

SUPER CONFERENCE
Diabetes Foundation of Mississippi's

January 30, 2010

PROGRAM DESCRIPTION

"New Horizons in Diabetes Care: What the Future Holds" **January 30, 2010 • Marriott Hotel**

To keep up with the rapidly changing diabetes technology and treatment options, the Diabetes Foundation of Mississippi offers everyone interested in diabetes care the opportunity to join some of our nation's foremost diabetes experts at the annual **Super Conference, Saturday, January 30, 2010**, at the **Marriott Hotel Downtown Jackson**. It is absolutely vital to keep up with these changes and what they mean for you and your family.

The Super Conference "**New Horizons in Diabetes Care: What the Future Holds,**" a day-long community-outreach, interactive, educational day for people with diabetes and their families, will address topics that will provide participants information on the current trends in diabetes management, carbohydrate counting, family dynamics, heart health, living and coping with diabetes, nutrition, research updates and more.

The conference will feature keynote talks by national and local diabetes advocates and will offer those with Type 1 and Type 2 diabetes with the choice of informative tracks focused on individual needs.

Representatives from medical and pharmaceutical companies will showcase the latest diabetes-management products. Let us provide a day that could change your life filled with incredible speakers, the latest diabetes information, fun for children with diabetes, a delicious lunch, raffle prizes and giveaways!

Registration will begin at 7:00 a.m., with the meeting beginning at 8:15 a.m.
