In order for your vehicle to be picked up for towing these requirements must be met:

- The vehicle must be whole.
- You must hold CLEAR TITLE to the vehicle.
- You must disclose structural damage (i.e. bent frame, rust, etc...)
- Tires must be inflated.

Vehicle Information

Make _____ Year _____

Model _____ VIN# _____

The VIN number is a 17 digit number that can be found on your registration, your title, and your insurance policy. It can also be found on the vehicle near the base of the windshield, usually on the left hand side. Some older vehicles have the VIN number on the left hand door post or the outer end of the driver's side door.

Odometer Reading _____

(If vehicle is older than ten years odometer reading is not needed)

General condition of vehicle _____

We accept nearly every vehicle for donation offered to us and tow is free of charge (in some locations there may be a small towing charge). However, we are sometimes unable to accept a vehicle for donation when the vehicle would not bring enough in resale to offset the fee of towing and processing the vehicle.
